On behalf of the Istanbul Textile Exporters' Association (ITHIB), Texhibition Istanbul Fabric, Yarn and Textile Accessories Fair, which brings the sector together with buyers from around the world in cooperation with ITKIB Fairs Inc., met with its visitors on March 06-08 at Istanbul Expo Center.

Texhibition, which is on the business agenda of the sector, will not only bring companies together with global brands, but also offered an export-oriented fair experience where production, quality, trends, sustainability and design are at the forefront to its exhibitors and visitors.

It brought together 557 domestic manufacturers consisting of fabric, yarn, denim and textile accessory companies with more than 25 thousand qualified buyers, including European Union countries, England, USA, North African countries and the Middle East

TAKE INSPIRE, DESIGN, CREATE and MANUFACTURE:
TEXHIBITION ISTANBUL AWAITS

Texhibition Istanbul Exhibition, which has been on the radar of the textile industry, has increased the number of halls in order to meet the intense demands while preparing to open its doors for the 19th time between on March 06-08 2024 at Istanbul Expo Center.

All components of the textile industry come together from organic, sustainable, recycled ecological fabrics to cotton and textiles in line with the latest trends, in the men and women apparel section and trendy accessories that complement textile products. Many product groups, from weaving to knitting, from denim fabric to artificial leather and textile accessories, are gathered under one roof at the exhibition, which has become the mecca of the textile industry.
